English

Technical (English): hyperpyrexia

Popular (English): extreme fever

Spanish

Technical: hiperpirexia (nf)

Popular: fiebre extremadamente elevada

hyperreflexia

English

Technical (English): hyperreflexia

Popular (English): exaggerated reflexes

Spanish

Technical: hiperreflexia (nf)

Popular: exageración de los reflejos

hypersecretion

English

Technical (English): hypersecretion

Popular (English): excessive secretion

Spanish

Technical: hipersecreción (nf)

Popular: secreción exagerada de un órgano glandular

hypersensitivity

English

Technical (English): hypersensitivity

Popular (English): over-sensitivity

Spanish

Technical: hipersensibilidad (nf)

Popular: reacción exagerada ante estímulos

hyperstimulation

English

Technical (English): hyperstimulation

Popular (English): over-stimulation

Spanish

Technical:

Popular: estimulación exagerada

hypertension

English

Technical (English): hypertension

Popular (English): high blood pressure

Spanish

Technical: hipertensión (nf)

Popular: aumento de la tensión

hyperthermia

English

Technical (English): hyperthermia

Popular (English): high body temperature

Spanish

Technical: hipertermia (nf)

Popular: elevación de la temperatura del cuerpo diferente de la fiebre

hyperthyroidism

English

Technical (English): hyperthyroidism

Popular (English): over-active thyroid

Spanish

Technical: hipertiroidismo (nm)

Popular: actividad exagerada de la glándula tiroides

hypertonia

English

Technical (English): hypertonia

Popular (English): stiffness

Spanish

Technical: hipertonía (nf)

Popular: tensión aumentada

English

Technical (English): hyperuricaemia

Popular (English): gout

Spanish

Technical: hiperuricemia (nf)

Popular: exceso de ácido úrico en la sangre

hyperventilation

English

Technical (English): hyperventilation

Popular (English): hyperventilation

Spanish

Technical: hiperventilación (nf)

Popular: respiración anormalmente duradera, rápida y profunda; aumento en el volumen de aire que entra en los pulmones

hypervitaminosis

English

Technical (English): hypervitaminosis

Popular (English): vitamin overdose

Spanish

Technical: hipervitaminosis (nf)

Popular: estado causado por ingestión excesiva de vitaminas

hypervolaemia

English

Technical (English): hypervolaemia

Popular (English): abnormal increase in blood volume

Spanish

Technical: hipervolemia (nf)

Popular: aumento anormal de volumen de sangre circulante

hypnotic

English

Technical (English): hypnotic

Popular (English): sleeping tablet

Spanish

Technical: hipnótico (adj)

Popular: que induce sueño

hypoacusis

English

Technical (English): hypoacusis

Popular (English): slight deafness

Spanish

Technical: hipoacusia (nf)

Popular: disminución de la audición

hypochondriasis

English

Technical (English): hypochondriasis

Popular (English): being hypochondriac

Spanish

Technical: hipocondría (nf)

Popular: preocupación exagerada por la salud

hypodermic

English

Technical (English): hypodermic

Popular (English): under the skin

Spanish

Technical: hipodérmico (adj)

Popular: que está o se pone debajo de la piel

hypoglycaemia

English

Technical (English): hypoglycaemia

Popular (English): low blood sugar

Spanish

Technical: hipoglucemia (nf)

Popular: descenso del nivel de glucosa en la sangre

hypogonadism

English

Technical (English): hypogonadism

Popular (English): sterility

Spanish

Technical: hipogonadismo (nm)

Popular: desarrollo sexual insuficiente

hypokalaemia

English

Technical (English): hypokalaemia

Popular (English): low blood potassium

Spanish

Technical: hipocaliemia (nf)

Popular: nivel bajo de potasio en la sangre

hypomania

English

Technical (English): hypomania

Popular (English): persistent slight hyperactivity

Spanish

Technical: hipomanía (nf)

Popular: forma leve de la manía

hypophyseal

English

Technical (English): hypophyseal

Popular (English): pituitary gland-related

Spanish

Technical: hipofisario (adj)

Popular: relativo a la hipófisis

hypoplasia

English

Technical (English): hypoplasia

Popular (English): tissue or organ underdevelopment

Spanish

Technical: hipoplasia (nf)

Popular: desarrollo insuficiente de un órgano o tejido

hypotension

English

Technical (English): hypotension

Popular (English): low blood pressure

Spanish

Technical: hipotensión (nf)

Popular: presión sanguínea anormalmente baja

hypotensive

English

Technical (English): hypotensive

Popular (English): with low blood pressure

Spanish

Technical: hipotensivo (adj)

Popular: caracterizado por tensión o presión baja

hypothalamic

English

Technical (English): hypothalamic

Popular (English): brain-related

Spanish

Technical: hipotalámico (adj)

Popular: situado en la mitad inferior del cerebro; relativo al hipotálamo

hypothermia

English

Technical (English): hypothermia

Popular (English): hypothermia

Spanish

Technical: hipotermia (nf)

Popular: temperatura corporal baja

hypothesis

English

Technical (English): hypothesis

Popular (English): theory

Spanish

Technical: hipótesis (nf)

Popular: suposición (nf)

hypothyroidism

English

Technical (English): hypothyroidism

Popular (English): underactive thyroid

Spanish

Technical: hipotiroidismo (nm)

Popular: actividad insuficiente de la glándula tiroides

hypotonia

English

Technical (English): hypotonia

Popular (English): muscle wastage

Spanish

Technical: hipotonía (nf)

Popular: tono muscular disminuido; tensión disminuida

hypotrophy

English

Technical (English): hypotrophy

Popular (English): ageing

Spanish

Technical: hipotrofia (nf)

Popular: disminución del tamaño de un tejido o de un órgano

hypouricaemia

English

Technical (English): hypouricaemia

Popular (English): lack of uric acid in the blood

Spanish

Technical: hipouricemia (nf)

Popular: deficiencia de ácido úrico en la sangre

hypoventilation

English

Technical (English): hypoventilation

Popular (English): holding your breath

Spanish

Technical: hipoventilación (nf)

Popular: disminución del volumen de aire que entra en los pulmones; respiración lenta y superficial

hypovitaminosis

English

Technical (English): hypovitaminosis

Popular (English): vitamin deficiency

Spanish

Technical: hipovitaminosis (nf)

Popular: carencia de una o más vitaminas esenciales

hypovolaemia

English

Technical (English): hypovolaemia

Popular (English): low blood volume

Spanish

Technical: hipovolemia (nf)

Popular: disminución de la cantidad de sangre circulante

hypoxaemia

English

Technical (English): hypoxaemia

Popular (English): blood oxygen deficiency

Spanish

Technical: hipoxemia (nf)

Popular: contenido bajo de oxígeno en sangre

hypoxia

English

Technical (English): hypoxia

Popular (English): tissue oxygen deficiency

Spanish

Technical: hipoxia (nf)

Popular: disminución en el suministro de oxígeno a los tejidos

hysterectomy

English

Technical (English): hysterectomy

Popular (English): hysterectomy

Spanish

Technical: histerectomía (nf)

Popular: extirpación quirúrgica del útero
